|                                   | Allen&Heath M-DL-AIN-A             | 8 analog input module for DX32                                                           | € 20  |
|                                   | Allen&Heath M-DX32-INPR-A          | 8 analog PRIME (32-bit ADC) input module for DX32                                        | € 50  |
|                                   | Allen&Heath M-DL-AOUT-A            | 8 analog output module for DX32                                                          | € 20  |
|                                   | Allen&Heath M-DL-DIN-A             | 4 AES/EBU input module for DX32                                                          | € 20  |
|                                   | Allen&Heath M-DL-DOUT-A            | 4 AES/EBU output module for DX32                                                         | € 20  |
|                                   | Allen&Heath M-DL-GACE-A            | dLive I/O expansion module for gigaACE audio network (128 x 128 ch)                      | € 20  |

## Mixing consoles

|      |                             |                                                                                 |       |
|------|-----------------------------|---------------------------------------------------------------------------------|-------|
|      | Allen&Heath M-DL-DANT128-AX | dLive I/O Dante Audio Networking card, 96kHz, 128 I/O                           | € 30  |
|      | Allen&Heath M-DL-DANT64-AX  | dLive I/O Dante Audio Networking card, 96kHz, 64 I/O                            | € 20  |
|      | Allen&Heath M-DL-SMADI-AX   | dLive I/O SuperMADI Audio Networking card, 96kHz, 128 I/O, 8x BNC, 4x SFP slots | € 30  |
|      | Allen&Heath M-DL-WAVES3-A   | dLive I/O Waves Audio Networking card, switchable 48/96kHz, 128 in, 128 out     | € 30  |
|      | DiGiCo Quantum 225 Pulse    | Digital mixer with 96ch 48 busses, 48/96 kHz, incl. Waves I/O                   | € 350 |
|      | DiGiCo DQ-Rack              | I/O stage box Dante 48 inputs 24 (28) outputs                                   | € 50  |
|      | Digico DMI Dante 64@96      | Digico/Klang expansion module for Dante audio network                           | € 25  |
|      | Digico DMI MADI-B           | Digico/Klang expansion module for MADI (BNC connectors)                         | € 25  |
|      | KLANG:konductor             | 3D IEM mixing engine 128 inputs, 16 stereo mixes (incl. I/O modules)            | € 200 |
|      | KLANG:kroller               | User interface unit for KLANG:konductor                                         | € 30  |
|      | KLANG:quelle                | Dante break out interface to 8 channels (XLR) + 4 stereo headphone out          | € 20  |
| New! | KLANG:Quelle XDM            | Dante/MADI break out interface to 16 channels AES/ Analog                       | € 50  |
| New! | KLANG:vokal+                | 3D IEM mixing engine 64 inputs, 12 stereo mixes (Dante/MADI)                    | € 150 |
|      | Allen&Heath Qu-16           | Digital mixer with 16 XLR inputs, 12 mixes, 4 FX                                | € 30  |
|      | Allen&Heath SQ-5            | 48ch Digital mixer with 16 XLR inputs, 12 mixes, 8 FX                           | € 50  |
| New! | Allen&Heath SQ-5+           | 48ch Digital mixer with 16 XLR inputs, 12 mixes, 8 FX + 4 UFX                   | € 70  |
|      | Allen&Heath SQ-6            | 48 ch Digital mixer with 24 XLR inputs, 12 mixes, 8 FX                          | € 60  |
|      | Allen&Heath M-SQ-SDANTE-A   | SQ I/O expansion module for DANTE audio network (64 x 64 ch)                    | € 15  |
|      | Allen&Heath M-SQ-SLINK-A    | SQ I/O expansion module for SLINK audio network (128 x 128 ch)                  | € 15  |
|      | Allen&Heath AB168           | I/O stage box dSnake/SLINK (for GLD, SQ and Qu systems), 16 inputs, 8 outputs   | € 15  |
|      | Midas M32R                  | 40ch Digital mixer with 16 XLR inputs, 8 XLR outputs, 25 mix buses, 8 FX        | € 50  |
|      | Midas DL16                  | I/O expander with 16 inputs and 8 outputs (AES50)                               | € 15  |
|      | Midas DL32                  | I/O expander with 32 inputs and 16 outputs (AES50)                              | € 20  |
|      | Klark Teknik DN32-Dante     | I/O Dante Audio Networking card, 48kHz, 32 x 32 ch                              | € 10  |
|      | Klark Teknik DN32-Live      | I/O USB Audio module + dual SD Card recording/playback, 48kHz, 32 x 32 ch       | € 10  |
|      | Klark Teknik DN32-USB       | I/O USB Audio module, 48kHz, 32 x 32 ch                                         | € 10  |
|      | Klark Teknik DN32-WSG       | I/O Waves Audio Networking card, 48kHz, 32 x 32 ch                              | € 15  |
|      | Allen&Heath CQ-18T          | Faderless 18ch digital mixer with 16 XLR inputs, 6 mixes, 4 FX                  | € 25  |
|      | Allen&Heath CQ-20B          | Faderless 20ch digital mixer with 16 XLR inputs, 6 mixes, 4 FX                  | € 20  |
|      | Allen&Heath Qu-SB           | Faderless 32ch digital mixer with 16 XLR inputs, 12 mixes, 4 FX                 | € 30  |
| New! | Allen&Heath SQ-Rack         | Faderless 48ch digital mixer with 16 XLR inputs, 16 mixes, 8 FX                 | € 35  |
|      | Behringer Wing Compact      | 48ch Digital mixer with 24 XLR inputs, 28 mixes, 8 FX                           | € 60  |
|      | Midas M32C                  | Faderless 40ch digital mixer core with dual AES50 ports (no local I/O)          | € 30  |
|      | Allen&Heath ZED6            | Compact mixing console 2 mono + 2 stereo + USB audio                            | € 5   |
|      | Allen&Heath ZED10           | Compact mixing console 4 mono + 3 stereo + USB audio                            | € 5   |
|      | Allen&Heath ZED12FX         | Compact mixing console 6 mono + 3 stereo + FX + USB audio                       | € 10  |
|      | Allen&Heath ZED14           | Compact mixing console 6 mono + 4 stereo + USB audio                            | € 10  |
|      | Allen&Heath ZED60-10FX      | Compact mixing console 4 mono + 2 stereo + FX + USB audio                       | € 5   |
|      | Mackie 1202VLZ4             | Analog mixing console 4 mono + 4 stereo                                         | € 10  |
|      | Mackie 1604VLZ4             | Analog mixing console 16 mono / 4bus                                            | € 20  |
|      | Midas Venice 240            | Analog mixing console 16 mono + 4 stereo                                        | € 40  |
|      | Shure SCM410E               | 4 channel automatic microphone mixer                                            | € 10  |
|      | Soundcraft E6               | Compact mixing console 6 mono + 2 stereo                                        | € 5   |

## Signal processing, format convertors and network equipment

|      |                     |                                                                                                       |       |
|------|---------------------|-------------------------------------------------------------------------------------------------------|-------|
|      | ARX MSX48           | 16 Channel / 3 Way Transformer Splitter                                                               | € 20  |
|      | Audinate Dante AVIO | Different types - analog to Dante, Dante to analog, AES/Dante                                         | € 20  |
|      | Bricasti M7         | Effects processor                                                                                     | € 50  |
|      | DELEC unito DIO     | Dante convertor to/from analog, AES/EBU + DSP, with SFP and PoE                                       | € 30  |
|      | LA Audio CAN-D      | 2 channel headphone amplifier with delay                                                              | € 6   |
|      | Lucid SSG 192       | High definition sync generator                                                                        | € 10  |
| New! | Tascam ML-4D/OUT    | 4 channel Dante convertor to analog, PoE and DC                                                       | € 15  |
|      | Waves Complete Set  | Extreme Server-C X10, Axis Scope, SuperRack & Plugins pack, frame w. 21" touchscreen in PELI Air 1637 | € 250 |

| Telefunken M80                                 | Dynamic microphone                                             | € 6  |
| Telefunken M81                                 | Dynamic microphone                                             | € 6  |
| Telefunken M82                                 | Dynamic microphone                                             | € 10 |

## D.I. and line isolation transformers

|                 |                                              |      |
|-----------------|----------------------------------------------|------|
| BSS AR-133      | Active D.I. Box                              | € 4  |
| Canford 49-241  | Line isolating transformer 10K/10K           | € 3  |
| Klotz D10       | Passive D.I. Box                             | € 3  |
| Radial ICE Cube | Line isolating transformer 10K/6000hm        | € 3  |
| Radial J48      | Active D.I. Box                              | € 7  |
| Radial JDI      | Passive D.I. Box                             | € 6  |
| Radial JPC      | 2 channel passive D.I. Box                   | € 6  |
| Radial Pro 48   | Active D.I. Box                              | € 4  |
| Radial Pro D2   | 2 channel passive D.I. Box                   | € 4  |
| Radial Trim TWO | 2 channel passive D.I. Box with attenuator   | € 5  |
| Radial Twin ISO | 2 channel line isolating transformer 10K/10K | € 9  |
| Radial USB Pro  | 2 channel USB audio OUT interface            | € 10 |
| Simple Way J1   | Active D.I. Box                              | € 5  |

## Wireless microphones

|                                     |                                                                                   |      |
|-------------------------------------|-----------------------------------------------------------------------------------|------|
| Sennheiser ew100 G4-835-S (G band)  | Wireless hadheld microphone system (566 – 608 MHz) with e835 dynamic capsule      | € 15 |
| Sennheiser EM 2050 (GW-X band)      | 2 channel wireless receiver (558 – 626 Mhz)                                       | € 60 |
| Sennheiser EW-D 835-S (Q1-6)        | Wireless hadheld microphone system (470 - 526 MHz) with e835 dynamic capsule      | € 20 |
| Sennheiser EW-DX 935-S SET (Q1-9)   | Dual wireless hadheld microphone system (470 - 550 MHz) with e935 dynamic capsule | € 50 |
| Sennheiser EW-DX EM4 Dante (Q1-9)   | 4 channel wireless receiver (470 - 550 MHz) with Dante                            | € 80 |
| Sennheiser EW-DX SK Lemo (Q1-9)     | Wireless bodypack transmitter (470 - 550 MHz) with LEMO connector                 | € 10 |
| Sennheiser EW-DX SKM935-S (Q1-9)    | Wireless hadheld transmitter (470 - 550 MHz) with e935 dynamic capsule            | € 10 |
| Sennheiser SK 100 G4 (G band)       | Wireless bodypack transmitter (566 - 608 Mhz) with 3.5mm minijack connector       | € 5  |
| Sennheiser SK 2000 (GW-X band)      | Wireless bodypack transmitter (558 – 626 Mhz) with LEMO connector                 | € 10 |
| Sennheiser SKM 2000 (GW-X band)     | Wireless hadheld transmitter (558 – 626 Mhz) with e935 dynamic capsule            | € 10 |
| Sennheiser SXW-D Lavalier set       | Compact wireless bodypack microphone system (USB-C chargeable)                    | € 10 |
| <b>New!</b> Shure SLXD1 (G59 band)  | Digital wireless bodypack transmitter (470 – 514 MHz) with TA4M connector         | € 10 |
| <b>New!</b> Shure SLXD4Q (G65 band) | 4 channel digital wireless receiver (470 – 606 MHz)                               | € 50 |
| Shure ULXD1 (H51 band)              | Digital wireless bodypack transmitter (534 – 598 MHz) with TA4M connector         | € 10 |
| Shure ULXD2/SM58 (H51 band)         | Digital wireless hadheld transmitter (534 – 598 MHz) with SM58 dynamic capsule    | € 10 |
| Shure ULXD4DQ (H51 band)            | 4 channel digital wireless receiver (534 – 598 MHz) with Dante                    | € 80 |

## Wireless microphones accessories (antennas, adapters, capsules)

|                             |                                                                                  |      |
|-----------------------------|----------------------------------------------------------------------------------|------|
| Invisible Waves CP Antenna  | Circular polarization passive directional antenna 470 – 960 Mhz                  | € 15 |
| Sennheiser A 1031 U         | Passive omni-directional wideband antenna 450 – 960 MHz                          | € 5  |
| Sennheiser A 2003           | Passive directional antenna 460 – 960 Mhz, 50', 4dBi                             | € 10 |
| Sennheiser A 3700           | Active omni-directional antenna with AB3700 booster (2000 series only)           | € 15 |
| Sennheiser ADP UHF          | Passive directional antenna 470 – 1075 Mhz, 100', 5dBi                           | € 10 |
| Sennheiser CI 1-4           | TRS > LEMO instrument cable                                                      | € 5  |
| Shure HA-8089 PWS           | Helical wideband directional antenna 470 – 900 MHz                               | € 15 |
| <b>New!</b> Shure HA-4540   | Tour series helical wideband directional antenna 470 – 900 MHz                   | € 15 |
| Shure PA805SWB              | Passive directional wideband antenna 470 – 952 MHz                               | € 10 |
| Shure UA221                 | Passive antenna splitter/combiner kit                                            | € 5  |
| Shure UA830                 | In-line RF amplifier/signal booster                                              | € 5  |
| Shure UA860WB               | Passive omni-directional wideband antenna 470 – 1100 MHz                         | € 5  |
| Shure UA870WB               | Active directional wideband antenna 470 – 900 MHz                                | € 5  |
| Shure WA302                 | TRS > MiniXLR cable                                                              | € 3  |
| Ambient HHA-SHS Mic Adapter | Adaptor for Shure Dynamic Capsules on Sennheiser WL systems                      | € 5  |
| DPA DPA d:facto FA4018-VL   | Linear Supercardioid Condenser Capsule for use with DPA WL adapters              | € 10 |
| DPA FAASE2-ewB              | SE2-ew Adapter for d:facto Vocal Microphone Capsule for Sennheiser (ew, 2000) WL | € 5  |
| DPA FAASL1B                 | SL1 Adapter for d:facto Vocal Microphone Capsule for Shure/Sony/Lectrosonics WL  | € 5  |
| Neumann KK 205 – BK         | Supercardioid Condenser Capsule for Sennheiser SKM series WL systems             | € 10 |
| Sennheiser MMD 935-1 BK     | Cardioid Dynamic Capsule for Sennheiser SKM series WL systems                    | € 8  |
| Sennheiser MMD 945-1 BK     | Supercardioid Dynamic Capsule for Sennheiser SKM series WL systems               | € 8  |
| Shure RPW112 (SM 58)        | SM 58 Cardioid Dynamic Capsule for Shure WL systems                              | € 5  |
| Shure RPW118 (Beta 58)      | Beta 58 Supercardioid Dynamic Capsule for Shure WL systems                       | € 5  |
| Shure RPW120 (Beta 87A)     | Beta 87A Supercardioid Condenser Capsule for Shure WL systems                    | € 10 |
| Shure RPW174 (KSM 8)        | KSM 8 Dualdyne Cardioid Dynamic Capsule for Shure WL systems                     | € 10 |
| SoundTools Sennheiser/Shure | Adaptor for Sennheiser Dynamic Capsules on Shure WL systems                      | € 5  |
| Telefunken M80-WH Black     | Supercardioid Dynamic Capsule for Shure WL systems                               | € 5  |
| Telefunken M81-WH           | Supercardioid Dynamic Capsule for Shure WL systems                               | € 5  |

## IEM systems

|                                       |                                                                                    |      |
|---------------------------------------|------------------------------------------------------------------------------------|------|
| 3S IEM-BP-XLR                         | Miniature wired IEM bodypack with XLR input and volume control                     | € 8  |
| <b>New!</b> Fischer Amps In Ear Stick | Miniature battery powered wired IEM bodypack with TRS/XLR input and volume control | € 10 |
| Fischer Amps Mini Body Pack 2         | Miniature passive wired IEM bodypack with TRS/XLR input and volume control         | € 8  |
| KLANG:quelle                          | Dante break out interface to 4 stereo headphone out/8 channels analog audio (XLR)  | € 20 |
| LA Audio CAN-D                        | 2 channel headphone amplifier with delay                                           | € 30 |
| Lectrosonics Duet M2T Dante           | Dual stereo wireless IEM transmitter                                               | € 45 |
| Lectrosonics Duet M2R                 | Wireless bodypack IEM receiver                                                     | € 15 |
| Mackie HM-400                         | 4 channel headphone amplifier with direct inputs and master bus                    | € 30 |
| Mackie HM-800                         | 8 channel headphone amplifier with direct inputs and A/B master bus                | € 40 |
| Shure P9RA (L6E band)                 | PSM900 wireless bodypack IEM receiver with SB900 battery (656 – 692 MHz)           | € 17 |
| Shure P10R+ (L6E band)                | PSM1000 wireless bodypack IEM receiver with SB900A batt. (626 – 698 MHz)           | € 25 |
| Shure P9T (L6E band)                  | PSM900 stereo/ dual channel wireless IEM transmitter (656 – 692 MHz)               | € 11 |
| <b>New!</b> Shure P10T (L9E band)     | PSM1000 dual stereo/quad channel wireless IEM transmitter (670 – 742 MHz)          | € 40 |
| KZ AS16 Pro                           | Sound isolating earphones                                                          | € 5  |
| <b>New!</b> KZ AST                    | Sound isolating earphones                                                          | € 15 |
| KZ ZS10 Pro X                         | Sound isolating earphones                                                          | € 10 |
| KZ ZSN Pro Metal                      | Sound isolating earphones                                                          | € 5  |
| Shure SE215-CL                        | Sound isolating earphones                                                          | € 10 |
| Shure SE315-CL                        | Sound isolating earphones                                                          | € 10 |
| <b>New!</b> Soundbrenner Wave         | Sound isolating earphones                                                          | € 10 |
